Please remember in your prayers all those members of our parish family who are sick or suffering in any way, all those in hospitals or nursing homes, and all of our shut-ins. We pray for all who have died recently, including Brian Mortensen, father of Janet Monaco. Let us not forget the victims of violence at home and abroad. We remember the men and women serving in the armed forces as we continually pray for peace.

Family Perspective

By Bud Ozar

The bondage of a stressful schedule and the time devouring demands of multi-tasking can "blind" you to the needs of your loved ones. Jesus tells us in the gospel. "Today the scripture has been fulfilled in your hearing." Perhaps you are "the captive who needs to be set free."

Marriage Moments

Karen Vogt, www.SusanVogt.net

Martin Luther King spoke about equality between the races. In marriage we call this mutuality. Although spouses may take on different tasks and rules, your value is equal. Is there any area of your marriage you want to be more equal (chore, parenting, income, affection? Ask.

Parenting Pointers

Karen Vogt, www.SusanVogt.net

Not sure how to apologize? Try this formula: I'm sorry that I _____. I'll try not to do it again. Then consider if there is any way to make amends (repair what you broke, compliment someone you gossiped about, etc.)
